Golf outings are a major part of our business at The Oaks, as well as our sister course Candia Woods; we have worked hard over the years to develop the venue, tools, and format to insure successful golf outings. **In fact, well over \$2,000,000.00** has been raised for charities at golf events played at our facilities. We can make your golf outing productive, successful, and most important: **FUN!**

From \$55 pp (Actual price depends on day and time of event)
