

The Oaks Golf Links / The Oaks Golf School
We Grow The Game Of Golf In Somersworth New Hampshire

Dear Family, Friends and Colleagues:

December 4th, 2016

The PGA of America has developed an extremely popular Junior Golf initiative that is getting kids and parents back into the game of golf around the country. The initiative is called The PGA Junior League. In 2016 the PGA Junior League nationwide numbers included 2,900 teams comprise of 36,000 kids!!! You may have seen the commercial with PGA Junior League Ambassadors Rory McIlroy and Lexi Thompson promoting the program...

PGA Junior League Mission Statement

"PGA Junior League Golf (PGA JLG) is designed to better socialize the game for juniors, 13-and-under, by creating a 'little league' approach to golf. . . . with a scramble format, allowing youngsters to be part of a team, in a structured league setting. . . . but without the pressure of individual medal-play competition."

I'm proud to announce The Oaks Golf School (Somersworth, NH) will be the host of at least two PGA Junior League teams in 2017! This means (24) PGA Junior League golfers will receive the following: **A spot on the team / player jerseys / bag tag / pin flags / 4 to 6 team matches / and at least (8) team practices guidance under my supervision.**

The PGA Junior League certainly offers a unique opportunity for juniors around the country to learn this great game. I want to take The Oaks' program a few steps further by offering Junior Golf opportunities to some families, which under normal circumstances, cannot not afford. Opportunities such as: complementary private golf instruction, discounted greens fees, driving range balls and equipment. These opportunities are coming to light as we've already accepted Junior Golf donations for 2017...!

"My introduction to the game of golf came in 1968 through my grandfather. In the 48 years since it remains one of my true passions, it has taught me humility, respect and given me the ability to interact with people from all walks of life. The game of golf helped me develop the confidence and ability to become who I am today. To me, golf is the game that keeps on giving." – Mr. David Kretschmar - Somersworth, NH Chief of Police, '17 Oaks Junior Golf Benefactor

If you'd like to support Junior Golf like Chief Kretschmar, please contact me today by emailing sbishop@theoaksgolflinks.com or by calling me directly (603) 315-9995. Individual donations and team PGA Junior League Team sponsorships are available.

Thank you for your consideration in support of growing the game of golf.

In Golf,

Shaun Bishop, PGA
